Agenda Item #5 - Contract Ceilings

1. A request for Agency components to establish ceilings for contract personnel was initiated in March by the Exec-Comptroller and forwarded with a memorandum from C/OPSER.

2. We were requested to (a) state the number of contract personnel presently employed and (b) state how many more we would need in FY 1971.

In reply we advised we have five, and foresaw a need for 2 additional writers to be used in those CS components that needed writers but could not provide a contract slot. No word has been received as to the action on this request.
